

Zoom-meetings at HAMK

How to get started with Zoom? Follow the steps below.
For further information click on the specific phase.

1

HAMK's instructions

Check first HAMK's instructions:
digipedaohjeet.hamk.fi

2

Install the Zoom App

Install the app to your computer or to your mobile device.

3

Log in to Zoom

Don't use you email address to log, use SSO-login to proceed.

4

Join the meeting

Join the meeting through calendar invitation, link or by using Join button in Moodle course area.

5

Audio or video issues?

You can't hear anything? Or your webcam doesn't work? Joined with browser and no devices can be found?
